

New Rose Bible Overview Offers a Fresh Perspective for Understanding God and His Purpose for Mankind

Torrance, CA –The Bible has been called one of the most controversial books in the world. Written over the span of 1,500 years, it contains 66 separate books by about 40 individuals. There are more copies in print than any other book. Remarkably, in spite of intense criticism through the years, the Bible is extraordinarily accurate. It is better preserved than the words or writing of Plato or Aristotle yet most people never question the authenticity of these philosophers' writings.

Followers of Jesus from all over the world over recognize the Bible as the Creator's way of giving mankind a guidebook for how to live and thrive. As the author and designer of humanity, God's desire is to be known. It is clearly splashed over the pages from Genesis to Revelation. In the new reproducible Rose Bible Overview (Rose Publishing), the greatest collection of writings and revelation come alive. The Bible Overview offers background on each book, the purpose, outlines, themes, key personalities, verses, and explains how each undoubtedly point to God's ultimate plan of redemption through Jesus Christ.

The vast majority of people own at least one copy of the Bible but few actually spend much, if any time, reading or studying it. If it is indeed God's message to the world about how he thinks, feels, or desires for us to relate to him then the Bible suddenly takes on an entirely new meaning for us. Reading the Bible becomes a transformative experience, not just in terms of what we learn intellectually, but in how we respond to its timeless and transcendent truth.

We get to know a loving, compassionate, graceful, stern, holy, and just God – one who cares about the intimate details of our lives. As the crown of his creation, made in his image, mankind is special to God. He wants a relationship with us and clearly expresses this throughout his word. The Bible Overview covers every book of the Bible, providing a unique understanding, facts, and background for each. God's indelible message to mankind is clearly seen and is intricately tied to his loving heart for us.
