FOR IMMEDIATE RELEASE

Retailer Choice Award Finalist Honors Awarded to
“Rose Guide to the Tabernacle”

“Rose Guide to the Tabernacle” has been honored as a finalist in the Bible Reference & Bible Study category of the 2009 Retailers Choice Awards.

The all-in-one spiral-bound book is a compendium of 128 pages of full-color Bible charts, illustrations, color diagrams, maps, and time lines drawn from years of research by the Rose Publishing staff.

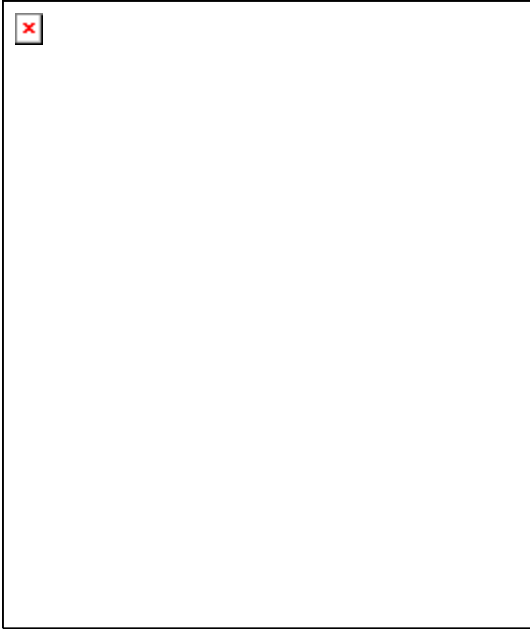

These pages are reproducible and designed especially for Bible study groups and church reference use. The Rose Guide to the Tabernacle also includes eight clear plastic overlays that allow people to see inside the Tabernacle and the Ark of the Covenant.

Finalists in the “Best Bible Reference and Study” category were selected for being the “best new products of the year” by Christian retailers.

The honor was determined by a team of Christian retailers on behalf of *Christian Retailing* magazine who analyzed books in more than twenty categories. Finalists were selected within this category, and winners will be announced on July 13 at the International Christian Retail Show, being held at the Colorado Convention Center.

Packed with features such reproducible charts on the sacrificial system, the parallels between the high priest and Jesus Christ, the types of offerings, the calendar of biblical feasts and holidays, a Passover seder for Christians, a diagram and explanation of the high priestly garments, the pattern of worship in the Old Testament, a bird’s-eye view of the Tabernacle, as well as an original never-before-released paintings of the Tabernacle at Mt. Sinai.

The Editorial Team included managing editor Lynnette Pennings, editor Benjamin Galan, MTS, ThM, Adjunct Professor of Old Testament Hebrew and Literature at Fuller Seminary, and contributor William Brent Ashby.

**Full color, reproducible book on the The
Tabernacle, with clear plastic overlays of the

Tabernacle was the place where the Israelites
worshiped God after the Exodus. Learn how the
sacrifices, utensils, and even the structure of

About Rose Publishing

Rose Publishing was started by a Sunday school teacher and a public school teacher in 1991. They realized that there were very few good Bible charts, time lines, and maps on the market for their classes and began creating their own. Other teachers started asking for the charts and the company was born.

From those few charts locally, to thousands of loyal customers worldwide today, Rose Publishing is the only Christian publisher that specializes in Bible charts, time lines, and maps. Rose has become known for providing quality products developed by expert authors, including professors and consultants from Wheaton College, Biola University, Dallas Theological Seminary, Moody Bible Institute, Denver Seminary, Central Baptist Theological Seminary, and the Bible Societies.
